---

By Maria Lucia M. Cruz

For the past years, Parents Advisory Council has been collecting membership fee of P50 per family from the parents through the students. The collection is devoted to projects like the renovation of the parents lounge, extending help for the improvement of library facilities, supporting programs and activities of the school, and giving seminars to parents.

This year, Dr. Leo B. Galve proposed to the PAC Officers of S.Y.2016-2017 the replacement of glass panes on both sides of the third floor to ensure the safety of the students. Mrs. Marilyn Vasquez, President of PAC, immediately acted on this proposal. The replacement happened last July 28 and 31, 2017.

Before

After

To the PAC officers of S.Y. 2016 – 2017, please accept our most sincere gratitude. More Power! God Bless!
