November 12, 2019 was a significant day for Sto. Niño Parish School and Sto. Tomas de Villanueva Parochial School as Bishop Mylo Vergara, D.D., Diocese of Pasig, graced these two schools with his endearing presence to do his Pastoral Visit. The visit is the initial preparation of the prelate for the upcoming general reshuffle in 2021. Together with him were Rev. Fr. Orlando F. Ordoña, PaDSS Superintendent and Rev. Fr. Jeffrey Caturan, Vice Chancellor.

The Bishop arrived at Sto. Niño Parish School 25 minutes ahead of schedule providing enough time

for the entire school community to welcome him. After the preliminaries, the Bishop and his team were ushered to the 3rd floor for the dialogue following the visit template provided by PaDSS.

At 11:45, the Bishop and the team headed to Sto. Tomas de Villanueva Parochial School. Arriving approximately 5 minutes before noon, the entire school community were ready to welcome them. Rev. Fr. Orlando F. Ordoña provided the school administration synthesis of the concerns drawn from the dialogue with the parents' advisory council, supreme student government and school personnel while Rev. Fr. Jeffrey Caturan documented the entire proceedings.

With proper delegation of manpower and active participation of the entire school community, the visit proved to be very successful.

Thank you very much Bishop Mylo Hubert C. Vergara and the team! You made the school community of Sto. Niño Parish School and Sto. Tomas de Villanueva Parochial School extra special.
